Celebrating Culture, Country and People

# Yura! (Welcome)

**Join us and discover the ancient traditions and contemporary voices of the people of land and sea – the Quandamooka.**

Quandamooka Festival celebrates the living history, knowledge, stories, arts and culture of the Nughi, Nunukul and Gorenpul clans, known collectively as the Quandamooka People of South East Queensland.

Over the three perfect months of our subtropical winter, experience dynamic dance, music, visual art exhibitions, fibre art and weaving workshops, bush tucker dining, whale watching cultural tours, kunjiel (corroborees), Indigenous sports, storytelling, insights into cultural heritage and Caring for Country and much, much more.

Travelling to Minjerribah (North Stradbroke Island) is easy. Simply travel to Toondah Harbour, Cleveland by car or take the connecting train and bus service and then catch one of the two WATER TAXIS or the VEHICLE FERRY. Parking at Toondah Harbour is free.
